Weddings by The Farmhouse

Thank you for interest in having your wedding at The Farmhouse.

The Farmhouse offers full service catering in an understated yet elegant style. Our cuisines are tailored to fit your needs and your special day. The management of Places Bistro and The Farmhouse upholds our standards. We are on-site and manage every event.

At The Farmhouse we take the entire event into consideration.

- The wait staff are highly trained professionals – friendly yet appropriate.
- Personnel are attired to suit the occasion.
- Presentation is key.
- Custom selected linen adds texture and color to your table settings and three-dimensional buffets.
- Hors d'oeuvres are butlered and artistically presented.

There are no hidden costs in the prices that are quoted. All labor (including gratuities) is built into the price you receive. Any additional costs would be upgrades and subject to 6% Pennsylvania state sales tax.

Our pricing covers the menu, staff, linen, china, silver, glassware, buffet decorations, bar set-ups and floral accents. Please open the “Wedding Menu Samples and Pricing” .pdf file found on the Weddings page for more information.

Tables and chairs for seating are typically mapped out on a floor plan after the reception site and style of menu have been determined. Specialty linens or overlays may be added and seating options will be discussed in detail. A breakdown of all the options will be provided by your very own event coordinator.

Saturday weddings require a guaranteed minimum guest count of 125; otherwise, an additional room rental of \$1,500 will be applied to your final balance. If you wish to hold your ceremony here, there will be an additional charge of \$2.00 per person for the rental & set up of ceremony chairs.
